The biggest Elm event in the world

Elm Europe will be a two-day conference dedicated to Elm, taking place in Paris on June, 8-9th 2017.

The event is organized by the Elm community, for the Elm community, with the willing of sharing knowledge, news about the language, and meeting interesting people.

THE EVENT

- ▶ 300 attendees from all over the World
- ▶ 2 days, single track conference
- ▶ 20 talks by influential speakers from the international Elm community.
- ▶ Staring Evan Czaplicki and Richard Feldman
- ▶ 100% English speaking talks

THE TALKS

A dedicated committee is in charge of the selection of the CFP and is actually doing great job in order to propose the perfect lineup. We are about to craft a series of talks covering every aspects of Elm:

- ▶ Elm culture
- ▶ Business perspectives
- ▶ Technical talks
- ▶ Practical study cases
- ▶ News and maybe surprises :-)

Every single talk will be released online for free after the conference

THE VENUE

Elm Europe will be held in Paris, at the EFREI engineering school, in a 300 seats amphitheater. The area is well-served and the school provides everything we need to have great time: a large and comfortable room for the talks, a Lobby to build sponsor booths, and a place to have lunch directly at the conference.
